

August 20, 2008

Greetings from NAHCHA! NAHCHA is a unique trade association. Its membership incorporates a variety of disciplines dedicated to providing home care services to the elderly and terminally ill, fragile infants, children with major health problems, and sick and disabled persons. Its mission is achieved through cooperation with its member organizations and individuals.

Throughout the calendar year, we hold two educational conferences, (January and June). During the conference, we have an exhibitor area setup for the members to learn more about issues, trends, products and services specific to the home care industry. Because our members are located throughout the state of Nebraska, and represent rural and urban home care agencies, this is a valuable opportunity for them to meet with exhibitors in the state and at the national level.

Due to our conference topic, NAHCHA is inviting exhibitors to the October Conference. Our topic will be Wound Care. The educational conference is scheduled for Wednesday, October 22, 2008 at the Quality Hotel & Garden Café of Hastings, Hastings, Nebraska, from 7:30 a.m. until 5:00 p.m. The breakfast and break refreshments will be setup in the exhibit area to give members an opportunity to visit with exhibitors throughout the day.

The Nebraska Association of Home and Community Health Agencies would like to extend an invitation to your organization to attend our October educational conference as an exhibitor. Enclosed is an exhibitor agreement that provides the specifics and cost. I have also enclosed my business card if you have any questions regarding the conference, location, or exhibitor space.

We encourage you to participate as a Sponsor Exhibitor for one of the conference breaks, luncheon, speaker fee, speaker handouts, or participant folders. This is a great opportunity for you to market your organization and receive some name recognition with the home care agencies. In addition, we will have homecare items as giveaways during the conference. If you have an interest in being a *Sponsor* please check the box on the exhibitor agreement and I will contact you with the details.

We look forward to seeing you at our conference and learning more about your organization and what you can offer the NAHCHA members.

Sincerely,

Kathi Schildt
Executive Director
