

Melissa Baumert is the Home Health and Hospice department manager at Franciscan Healthcare in West Point, NE. Melissa graduated from Northeast Community College in Norfolk with her ADN in 2016. She began her nursing career with Craig Pediatric Homecare out of Grand Island and eventually started working at St Francis Memorial Hospital in West Point as a med-surg nurse. After several years in med-surg, OB and ER, Melissa transitioned to Clinical Informatics and eventually found her way over to Home Health and Hospice when they transitioned to a new EHR. Melissa enjoys the challenges that the Home Health and Hospice brings as well as the new opportunities to work with patients and families in this capacity. Melissa is looking forward to joining the Nominating Committee and networking with a new group of peers who share her passion for home health and hospice care.
